**Keystone Plastics to Sponsor Gala Dinner at International Sweeper Summit 2026**

SOUTH PLAINFIELD, N.J. — September 2026 — Keystone Plastics will serve as the Official Sponsor of the Gala Dinner at International Sweeper Summit 2026, taking place November 3–4 at La Cantera Resort & Spa in San Antonio. The dinner closes out the Summit and brings together the contractors, manufacturers, fleet owners, public works teams and industry partners who make up the sweeping industry. Keystone will have a tabletop booth at the summit as well.

For Keystone, the sponsorship reflects the role the company has played in the industry for more than 80 years manufacturing the brooms and brushes used by equipment manufacturers, municipalities and sweeping contractors across the country and around the world.

"For more than 80 years, our job has been to help sweeping professionals do their work better. Sponsoring this dinner is a way to recognize the people who build the equipment, operate the machines, and manage public programs. That's how the industry moves forward."

— *Michael Naftal, Executive Vice President, Keystone Plastics*

International Sweeper Summit 2026 is the 15th annual gathering of the power-sweeping industry. In addition to the Gala Dinner, the event includes educational sessions, leadership discussions, a manufacturers roundtable, equipment ride-alongs, receptions and the Outdoor Equipment Expo. Keystone will be on the expo floor. For event information and registration, visit sweepersummit.com/register.
